MESSAGE FROM THE AUTHOR

Nowadays, I like to travel all over the country. More and more I'm the type who wants to go on trips. I've changed, but this has nothing to do with the concert! That place, it was fun making friends, and the cosplay was fun too.

STORY SO FAR

Yukimura Aine, a normal high school student turned into Lucifer's lyricst because Ookouchi Sakura saw the talents in Aine. Later the two became lovers, but they then faced many obstacles. Despite this, they both never gave up on their love. One day, a stranger hugged Aine, and called her "Yumi". That man is Tomoyuki, the lead singer of the new smash hit band 'Jesus.' He hugged Aine because she looked strangely like with his dead sister, who Tomoyuki loved more than sibling affections. He tried to get close to Aine, but, worrying that Sakuya might get angry, she rejected him straight forwardly. But then Aine saw Tomoyuki cry, and talk about his sister, which lead Aine to..!?

Two days ago which was on the 13 of disember, I opened my Pc and noticed an anomaly which I could never have prophesized.
NO BLINKING GREEN LIGHT FOR THE INTERNET!!!!!
And I had just received the translation fo Kaikan Phrase ch 27 and could have finished it in less then a few hours!!! As a matter of fact, I DID finish it in a few hours. I called my bro at his office and asked why the hell theres no Internet and he said...." dunno.. maybe coz we didn't pay the bill"

.....

A sudden gust of cold air blows upon my face.
What the fuck??!!!Why didnt' they pay the damn bill!! (my bro's paying for it since my mom won't pay for an internet line, and I'm just a leecher. *Sigh* he didn't seem too disturbed about it which is quite strange, since He's been downloading stuff non-stop with his utorrent all the time... then again he is VERY stingy.Probably trying to escape from paying in the hopes that my mom will pay it for him.....
FAT CHANCE THAT"LL HAPPEN!!!!!!Where d'you think my bro inherits his stingyness from????
Ah, so here I am stuck without an internet line and I don't know when this chappie will reach you guys..... But then in today's newspaper I saw something that lifted my hopes up.The internet provider company had a thingy failure so there was no internet connection all over the place! But then they say that all problem are fixed already so internet is back up. unfortunately.... mine still wasn't
So I'm guessing that Either my area still hasn't been fixed or It's really because we didn't pay the bill....I'm hoping its because of the line not being fixed bu~t I don't want to get my hopes up, only to be crushed brutally by the horrible truth. This happened to me once before and it took me 2 whole years before my bro subscribed to the internet using his name a few months back.To Miyoko, I'm really sorry, coz I know you wanted to chat with me the next day and probably wondered where the hell is she!!! GOMEN if you suddenly find me missing for two more years!!!!!! -LIBRA_86930(the missing editor)
